

# The Social Networks

## Advantages:

- 😊 You can communicate with people far away, chatting and watching the pictures of our friends.
- 😊 You can send messages without spending money.
- 😊 You can talk with a webcam.
- 😊 You are always updated on the facts of other people and you get news in real time.
- 😊 You make new acquaintances and you can create groups.

## Disadvantages:

X X X

- 😞 They create dependency and take time to healthy activities .
- 😞 Privacy is not always respected and you can get in contact with dangerous people.
- 😞 The language used is sometimes rude and there is the risk of offending people.
- 😞 Personal and real relationships become weaker and more difficult .
- 😞 Spending time on social network means less time to study or to do research for school.
