We are going to present you the cultural life of our town, ARLES.

- 1) the traditional festivities come back every year
- 2) 2013 was more enriching by the numerous events thanks to Marseille, European capital city of culture

Our favorite photographer : Gilbert & Sullivan

Being selfcontrol

Born and live in Marseille, he is 84 years old. He did first a training at Arles's photographic school. Only with... a Nikon reflex, a pair of scissors and some pieces of cardboard
