

IN-ENERGY

Training company

Co-funded by the
Erasmus+ Programme
of the European Union

Training Company

Here, we learn how to run a company

Students present the results
of the work at a trade fair

All that work allows us to start
our own business - our own company

Energy company established in
November 2005

Based in Eastern Slovakia

Distribution of electricity

Public lighting, diagnostics,
rental source...

IN-ENERGY

Smart home

IN - ENERGY

Turning your home into a smart home gives you a lot more than just the title of "the king of the neighborhood".
