c) other answer:

c) Mentioned answers: *Some of the students had a little problem with it, but they managed it; The students improved their level of English during the project; Some students had problem with some ICT terms; We had to do an effort, but thanks to this our level improved; They had different levels of English; Most of theme were sufficient*

11) Any other comments on the project:

- Mentioned answers:
  - *Very excellent cooperation with given country. Project gave us very usefull skills in given area but also improve our international cooperation with schools, teachers and students of other countries. Project took very short time. In future we prefer to have more visits and longer time period for the project.*
  - *We could fullfill the mobility to Portugal, but we missed our partners from the Czech Republic and Slovakia, due to the COVID emergency.*
  - *Some of the partner schools of the project did not host, so it reduced the number of mobilities.*
  - *We appreciate all the time and effort the schools, students and teachers made. We really had good times in every country. It gave us the opportunity to meet new people and make new friends. We have learned many new thing from the ICT area.*
